2/2010

Dear EAPR colleagues,

Before the year ends, the Council wishes to inform you a few important issues.

## 1. Registration and abstract submission for EAPR2011 are open at [www.eapr2011.com](http://www.eapr2011.com)

Registration for the normal fee is possible until March 31, 2011. Late registration for a higher fee will remain open until June 15. Payment can be made by bank transfer at the moment, but credit card payment via the registration homepage will also be available shortly. Accompanying persons are welcome and the programme available for them is indicated at the conference homepage.

The homepage also contains the tool for submitting abstracts (deadline March 31). For considering the abstract for inclusion in the programme and conference proceedings, at least one of the authors must be registered by March 31.

EAPR2011 (18<sup>th</sup> Triennial Conference of EAPR) takes place in Oulu, Finland, on July 24-29, 2011. The conference homepage contains information useful for planning travel arrangements. Representatives of Oulu Congress will be in your service and happy to answer questions about travelling, accommodation, stay in Oulu, options for holiday programme in Finland, etc. Do not hesitate to contact them.

## 2. EAPR has been "re-established"

The final step in the process of formalising the new EAPR administration has been completed. Those 103 members of EAPR who cast a vote in the poll, all voted unanimously for the proposal of the Council. EAPR was subsequently moved from The Netherlands to Belgium and the country-specific link of the two officers, Secretary and Treasurer, were removed. On the following page you'll find a photo illustrating the moment of certification of the new EAPR Constitution by the signatures of the Secretary, Treasurer and the President-Elect.

## 3. Council meets in January 2011

The Council will meet in Wageningen, The Netherlands, on January 13-14, 2011. If you wish to bring matters to the attention of the Council, please do not hesitate to do so by January 10 latest. You may contact any of the Council members (for contact information, see [www.eapr.net](http://www.eapr.net)).

On behalf of the EAPR Council,

*Jari Valkonen*
