Potato Pests and Diseases: Old Enemies, New Threats

13th-16th September 2010
Teagasc Crops Research Centre
Oak Park, Carlow, Ireland

We are pleased to inform you that the 2010 European Association of Potato Research Pathology Section meeting will be held in Carlow, Ireland in September 2010. The meeting, jointly hosted by [Teagasc](http://www.teagasc.ie) and the [Agri-Food and Biosciences Institute](http://www.afbi.gov.uk) (Belfast), will be held at the [Seven Oaks Hotel](http://www.sevenoaks.com) located close to Carlow Town centre.

This three day meeting will deal with all aspects of potato pathology with a special emphasis on new threats to potato posed by changes in the behaviour of existing pests and pathogens and by new species.
