It is our pleasure to invite you to the 14th triennial meeting of the Virology Section of the European Association of Potato Research (EAPR), which will be held in the land of the beautiful fjords and the endless summer nights. The preliminary programme consists of plenary talks, workshops, oral presentations, poster sessions and scientific excursions. The meeting will cover different aspects of virus research in potatoes, ranging from diagnosis and detection to plant-virus interactions. We encourage scientists, students, growers, seed potato producers and plant health officers to attend this meeting.

Welcome to Norway!

Scientific topics:

1. Resistance (conventional and transgenic)
2. Plant-virus interactions and evolution
3. Epidemiology and control
4. Emerging and quarantine diseases
5. Diagnostic and detection methods
6. Virus transmission
7. Soil-borne viruses

EAPR 2010

3rd Circular, February 2010

• Included in the fees are:

Lunch, dinner, coffee breaks, conference dinner, and excursion. Conference fee is non refundable after 2010-04-01. Day package includes lunch and dinner.

• Registration/payment

Registration for the meeting is available at the meeting webpage:
www.bioforsk.no/eapr2010

Now open!

Payment by credit card is obligatory to have your registration confirmed

• Venue

The meeting will be held in Hamar, Norway. Hamar is a small town near the large inland lake Mjøsa. The area around Hamar is one of the most important potato growing areas in Norway.

Hotel:
<http://www.rica-hotels.com/en/Hotels/Rica-Hotel-Hamar/>

	Registration fee		Accommodation for five nights* (including breakfast)		Day package (per day)
	Before first of April	After first of April	Single room	Double room	
EAPR members	€ 450	€ 550	€ 550	€ 430 (per person)	€ 55
Non EAPR members	€ 550	€ 650	€ 550	€ 430 (per person)	€ 55
Students	€ 450	€ 550	€ 550	€ 430 (per person)	€ 55

*The accommodation price depends on pre-payment at registration, and is a favourable price compared to individual orders. If you do not stay at this hotel, you must pay day packages for each day you attend the meeting.

Non-EAPR members

All non-EAPR members who register to the meeting will gain the membership of EAPR for 2010.

Student Scholarship

The EAPR is offering free accommodation and conference fee for two students. Travelling expenses must be covered by the student's host institute or university. Only students enrolled in a PhD program and willing to give an oral presentation are eligible. To apply, students must submit an abstract of their presentation to the following email address: eapr2010@bioforsk.no before the 15th of April. Please include the following text in the subject field of the email: "student scholarship". Students who are awarded the scholarship will be notified the 20th of April.

Potato Association of America (PAA)

PAA members are now eligible for the same lower registration fee as the EAPR members.

New EAPR member benefits

EAPR members will obtain free electronic access to the issues of Potato Research, American Journal of Potato Research and Euphytica.

Getting there

The most convenient way to reach Hamar is flying to Oslo International Airport, OSL, Gardermoen (<http://www.osl.no/en/osl>). Trains to Hamar depart every hour from the airport train station. The journey takes 55 minutes. For further information regarding departure times visit the Norwegian Railway site (NSB http://www.nsb.no/?lang=en_US). Please AVOID flying to the other two airports close to Oslo (Rygge and Sandefjord). These airports are rather far from Hamar and NO train connections are available.

VISA ?

Citizens of some countries require a VISA to travel to Norway. Please contact the Norwegian Embassy in your country or follow the link below to find out if a VISA is required.
